RDN #DYK

Did you know the RDN does not manage roads?

For Electoral Areas roads are managed by the Province of BC, Ministry of Transportation and Infrastructure, and for Municipal areas roads are managed by your Municipality.

For current road conditions visit www.drivebc.ca or follow @DriveBC or @DriveBC_VI on Twitter.

ADVERSE WEATHER DISRUPTION TO COLLECTION SERVICE

Severe winter weather can result in disruptions to curbside collection by causing unsafe driving conditions, and road access issues for the collection staff. If your material was not collected on your regular collection day, please remove your containers overnight and continue to put missed materials at the curb by 8:00 am the following day until they are collected. This may take several days depending on the severity of the weather.

During severe weather events, updates will be available on the RDN social media pages and Recollect app.

If you have any questions, contact the RDN at 1-877-607-4111 or your service provider at 1-866-999-8227.
