

REPORT UNDER THE

FINANCIAL INFORMATION ACT

FOR THE YEAR ENDED

DECEMBER 31, 2015

The information contained in this booklet represents the Regional District of Nanaimo's filing under the Financial Information Act for the year ended December 31st, 2015 and has been presented to and received by the Board of the Regional District of Nanaimo at a meeting held June 14, 2016.

The financial summary information included in this report is extracted from the 2015 audited annual financial statements prepared by the Regional District. The full text of the financial statements may be obtained from the Regional District offices or through its website at www.rdn.bc.ca.

Signed in accordance with the requirements of the Financial Information Regulation, Schedule 1, and Section 9(2).

Management's Responsibility

To the Members of the Board of the Regional District of Nanaimo:

This statement is provided to clarify and outline the roles and responsibilities of the management team, the elected Board of Directors and the independent auditors in relation to the preparation and review of the Regional District of Nanaimo's annual financial results.

Management is responsible for the preparation and presentation of the accompanying consolidated financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian public sector accounting standards. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the consolidated financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of financial statements.

The Regional Board of Directors is composed entirely of Directors who are neither management nor employees of the Regional District. The Board is responsible for overseeing management in the performance of its financial reporting responsibilities, and for delegating the authority for approval of the consolidated financial statements. The Board fulfils these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management. The Board is also responsible for recommending the appointment of the Regional District's external auditors. The external auditors have full and free access to, the Board and management to discuss their audit findings.

MNP LLP, an independent firm of Chartered Professional Accountants, has been appointed by the Regional Board of Directors to audit the consolidated financial statements and report to them; their report follows.

April 29, 2016

Director of Finance

Independent Auditors' Report

To the Members of the Board of the Regional District of Nanaimo:

We have audited the accompanying consolidated financial statements of the Regional District of Nanaimo, which comprise the consolidated statement of financial position as at December 31, 2015 and the consolidated statements of operations and accumulated surplus, change in net financial assets and cash flows and related schedules on pages 25 and 27 to 30 for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Regional District of Nanaimo as at December 31, 2015 and the results of its operations, change in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Other Matter

The supplementary information on pages 26 and 35 to 50 have been presented for purposes of additional analysis and are unaudited. We do not express an opinion on these schedules because our examination did not extend to the detailed information therein.

REGIONAL DISTRICT OF NANAIMO NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

for the year ended December 31, 2015

The Regional District was incorporated in 1967 under the provisions of the British Columbia Municipal Act. Its principal activities are the provision of district wide local government services to the residents of seven electoral areas and four municipalities within its boundaries. These services include general government administration, bylaw enforcement, planning and development services, building inspection, fire protection and emergency response planning, public transportation, parks and recreation, water supply and sewage collection, wastewater disposal, solid waste collection and disposal, and street lighting.

1. SIGNIFICANT ACCOUNTING POLICIES

(a) Principles of Consolidation

The Regional District follows Canadian public sector accounting standards issued by the Public Sector Accounting Board (PSAB) of CPA Canada.

Consolidated financial statements have been prepared in accordance with the recommendations of the Public Sector Accounting Board (PSAB). The consolidated financial statements include the activities related to all funds belonging to the one economic entity of the Regional District. In accordance with those standards inter-departmental and inter-fund transactions have been removed to ensure financial activities are recorded on a gross basis. The consolidated financial statements have been prepared on a going concern basis.

The consolidated financial statements include the Regional District of Nanaimo's proportionate share of the Arrowsmith Water Service (a joint venture agreement with the City of Parksville and Town of Qualicum Beach) and the Englishman River Water Service (a joint venture agreement with the City of Parksville). The Regional District's share of the joint ventures is accounted for on a proportionate basis as follows:

Arrowsmith Water Service 22.4% Englishman River Water Service 26.0%

Any inter-entity transactions are eliminated on consolidation.

(b) Short-term deposits

Short-term deposits are carried at the lower of cost and market value.

(c) Long-term investments

Long-term investments are carried at cost less any amortized premium. It is the intention of the Regional District to hold these instruments to maturity. Any premium has been amortized on a straight-line basis using the earlier of the date of maturity or call date.

(d) Non-Financial Assets

i. Tangible capital assets

Tangible capital assets are physical assets that are to be used on a continuing basis, are not for sale in the ordinary course of operations and have useful economic lives extending beyond a single year. Section 3150 of Public Sector Accounting Handbook requires governments to record and amortize the assets over their estimated useful lives. Tangible capital assets are reported at historical cost and include assets financed through operating budgets, short-term and long-term debt, and leases. Tangible capital assets when acquired are recorded at cost which includes all amounts that are directly attributable to the acquisition, construction, development or betterment of the asset. Tangible capital asset cost less any estimated residual value, is amortized on a straight-line basis over estimated useful lives as follows:

Asset Category	Useful Life Range (years)
Land	n/a
Land Improvements	15 - 50
Building	20 - 50
Equipment, Furniture & Vehicles	5 - 20
Engineering Structures	
Water	25 - 75
Sewer	45 - 75
Wastewater	30 - 75
Solid Waste	20 - 50
Transportation	20 - 50

In the year of acquisition and in the year of disposal, amortization is recorded as half of the annual expense for that year. Assets under construction are not amortized until the asset is available for productive use.

ii. Contributions of tangible capital assets

Tangible capital assets received as contributions (examples are parklands as a result of subdivision, donated land and infrastructure built by property developers which is transferred to the Regional District) are recorded as assets and revenues at their fair value at the date of receipt.

iii. Leases

Leases are classified as capital or operating leases. Leases which transfer substantially all of the benefits and risks incidental to ownership of a property are accounted for as capital leases. All other leases are accounted for as operating leases and the related lease payments are charged to expenses as incurred.

iv. Inventories

Inventories held for consumption are recorded at the lower of cost and replacement cost.

(e) Debt servicing cost

Interest is recorded on an accrual basis.

(f) Financial Instruments

Financial instruments consist of cash and short-term deposits, accounts receivable, investments, other jurisdictions debt receivable, short-term loans, accounts payable, other liabilities and long-term debt. Unless otherwise noted, it is management's opinion that the Regional District is not exposed to significant interest, currency or credit risk arising from these financial instruments.

(g) Revenue recognition

Revenues are recorded on an accrual basis and are recognized in the period in which they are earned.

Property tax revenues and grants in lieu are recognized as revenue when levied. Operating revenues such as user fees, tipping fees, garbage, and recycling collection fees are recognized when charged to the customer, when amounts are measurable and when collectability is reasonably assured. Interest on investments is recorded when earned on an accrual basis. Developer contributions are recorded as deferred revenues when received and recognized as revenue in the year in which the associated expenditures are incurred. Donations of tangible assets are recognized as revenue on the date of receipt. Other revenues are recognized as revenue when amounts can be reasonably estimated and collectability is reasonably assured.

The Regional District recognizes a government transfer as revenue when the transfer is authorized and all eligibility criteria, if any, have been met. A government transfer with stipulations giving rise to an obligation that meets the definition of a liability is recognized as a liability. In such circumstances, the Regional District recognizes revenue as the liability is settled. Transfers of non-depreciable assets are recognized in revenue when received or receivable.

(h) Expense recognition

Operating expenses are recorded on an accrual basis.

Estimates of employee future benefits are recorded as expenses in the year they are earned. Landfill closure and post closure costs are recognized as costs as landfill capacity is used.

(i) Contingent liabilities

Contingent liabilities are recognized in accordance with PS 3300, which requires that an estimate be recorded when it is likely that a future event will confirm that a liability has been incurred by the financial statement date and that the amount can be reasonably estimated.

(j) Use of Estimates

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements, as well as the reported amounts of revenues and expenses during the reporting period. Significant areas requiring management estimates are the determination of employee retirement benefits, landfill closure and post closure liabilities, likelihood of collection of accounts receivable, useful lives of tangible capital assets and provisions for contingencies. Liabilities for contaminated sites are estimated based on the best information available regarding potentially contaminated sites that the Regional District is responsible for. Actual results may vary from those estimates and adjustments will be reported in operations as they become known. Changes to the underlying assumptions and estimates or legislative changes in the near term could have a material impact on the provisions recognized.

(k) Liability for contaminated sites

A liability for remediation of a contaminated site is recognized at the best estimate of the amount required to remediate the contaminated site when contamination exceeding an environmental standard exists, the Regional District is either directly responsible or accepts responsibility, it is expected that future economic benefits will be given up, and a reasonable estimate of the amount is determinable. The best estimate of the liability includes all costs directly attributable to remediation activities and is reduced by expected net recoveries based on information available at December 31, 2015.

At each financial reporting date, the Regional District reviews the carrying amount of the liability. Any revisions required to the amount previously recognized is accounted for in the period revisions are made. The Regional District continues to recognize the liability until it is settled or otherwise extinguished. Disbursements made to settle the liability are deducted from the reported liability when they are made.

(I) Recent accounting pronouncements

PS 2200 Related Party Disclosures

In March 2015, as part of the CPA Canada Public Sector Accounting Handbook Revisions Release No. 42, the Public Sector Accounting Board (PSAB) issued a new standard, PS 2200 Related Party Disclosures.

This new Section defines related party and established disclosures required for related party transactions. Disclosure of information about related party transactions and the relationship underlying them is required when they have occurred at a value different from that which would have been arrived at if the parties were unrelated, and they have, or could have, a material financial effect on the financial statements.

This section is effective for fiscal years beginning on or after April 1, 2017. Early adoption is permitted.

The Regional District does not expect application of the new Standard to have a material effect on the consolidated financial statements.

PS 3210 Assets

In June 2015, new PS 3210 Assets was included in the CPA Canada Public Sector Accounting Handbook (PSA HB). The new Section provides guidance for applying the definition of assets set out in PS 1000 Financial Statement Concepts. The main features of this standard are as follows:

Assets are defined as economic resources controlled by a government as a result of past transactions or events and from which future economic benefits are expected to be obtained.

Economic resources can arise from such events as agreements, contracts, other government's legislation, the government's own legislation, and voluntary contributions.

The public is often the beneficiary of goods and services provided by a public sector entity. Such assets benefit public sector entities as they assist in achieving the entity's primary objective of providing public goods and services.

A public sector entity's ability to regulate an economic resource does not, in and of itself, constitute control of an asset, if the interest extends only to the regulatory use of the economic resource and does not include the ability to control access to future economic benefits

A public sector entity acting as a trustee on behalf of beneficiaries specified in an agreement or statute is merely administering the assets, and does not control the assets, as future economic benefits flow to the beneficiaries.

An economic resource may meet the definition of an asset, but would not be recognized if there is no appropriate basis for measurement and a reasonable estimate cannot be made, or if another Handbook Section prohibits its recognition. Information about assets not recognized should be disclosed in the notes.

The standard is effective for fiscal years beginning on or after April 1, 2017. Earlier adoption is permitted.

The Regional District does not expect application of the new Standard to have a material effect on the consolidated financial statements.

PS 3320 Contingent Assets

In June 2015, new PS 3320 Contingent Assets was included in the CPA Canada Public Sector Accounting Handbook (PSA HB). The new Section establishes disclosure standards on contingent assets. The main features of this Standard are as follows:

Contingent assets are possible assets arising from existing conditions or situations involving uncertainty. That uncertainty will ultimately be resolved when one or more future events not wholly within the public sector entity's control occurs or fails to occur. Resolution of the uncertainty will confirm the existence or non-existence of an asset.

Passing legislation that has retroactive application after the financial statement date cannot create an existing condition or situation at the financial statement date.

Elected or public sector entity officials announcing public sector entity intentions after the financial statement date cannot create an existing condition or situation at the financial statement date.

Disclosures should include existence, nature, and extent of contingent assets, as well as the reasons for any non-disclosure of extent, and the bases for any estimates of extent made.

When a reasonable estimate can be made, disclosure should include a best estimate and a range of possible amounts (or a narrower range of more likely amounts), unless such a disclosure would have an adverse impact on the outcome.

The standard is effective for fiscal years beginning on or after April 1, 2017. Earlier adoption is permitted. The Regional District does not expect application of the new Standard to have a material effect on the consolidated financial statements.

PS 3380 Contractual Rights

In June 2015, new PS 3380 Contractual Rights was included in the CPA Canada Public Sector Accounting Handbook (PSA HB). This new Section establishes disclosure standards on contractual rights, and does not include contractual rights to exchange assets where revenue does not arise. The main features of this Standard are as follows:

Contractual rights are rights to economic resources arising from contracts or agreements that will result in both an asset and revenue in the future.

Until a transaction or event occurs under a contract or agreement, an entity only has a contractual right to an economic resource. Once the entity has received an asset, it no longer has a contractual right.

Contractual rights are distinct from contingent assets as there is no uncertainty related to the existence of the contractual right.

Disclosures should include descriptions about nature, extent, and timing.

The standard is effective for fiscal years beginning on or after April 1, 2017. Earlier adoption is permitted.

The Regional District does not expect application of the new Standard to have a material effect on the consolidated financial statements.

PS 3430 Restructuring Transactions

In June 2015, new PS 3430 Restructuring Transactions was included in the CPA Canada Public Sector Accounting Handbook (PSA HB). The new Section establishes disclosure standards on restructuring transactions. The main features of this Standard are as follows:

A restructuring transaction is defined separately from an acquisition. The key distinction between the two is the absence of an exchange of consideration in a restructuring transaction.

A restructuring transaction is defined as a transfer of an integrated set of assets and/or liabilities, together with related program or operating responsibilities that does not involve an exchange of consideration.

Individual assets and liabilities transferred in a restructuring transaction are derecognized by the transferor at their carrying amount and recognized by the recipient at their carrying amount with applicable adjustments.

The increase in net assets or net liabilities resulting from recognition and derecognition of individual assets and liabilities received from all transferors, and transferred to all recipients in a restructuring transaction, is recognized as revenue or as an expense.

Restructuring-related costs are recognized as expenses when incurred.

Individual assets and liabilities received in a restructuring transaction are initially classified based on the accounting policies and circumstances of the recipient at the restructuring date.

The financial position and results of operations prior to the restructuring date are not restated.

Disclosure of information about the transferred assets, liabilities and related operations prior to the restructuring date by the recipient is encouraged but not required.

The Section is effective for new restructuring transactions that occur in fiscal periods beginning on or after April 1, 2018. Earlier application is encouraged.

The Regional District does not expect application of the new Standard to have a material effect on the consolidated financial statements.

2. CASH AND SHORT-TERM DEPOSITS

In 2015, all cash and short-term deposits were held by the General Revenue Fund. Interest income has been allocated to restricted receipt accounts (development cost charges), reserve accounts/funds and unexpended loan proceeds for capital projects based on the relative equity.

3. ACCOUNTS RECEIVABLE

6. SHORT-TERM LOANS

During 2015 the Regional District entered into a short term loan agreement under the Equipment Financing program of the Municipal Finance Authority in the amount of \$313,700, with interest and principal payable monthly, to fund the purchase of a Refuse Compactor at the Cedar Road Landfill. The principal amount of this short-term loan was reduced by \$20,559 to \$293,141 by December 31, 2015. Interest rate of this loan is variable, which at December 31 was at 1.35%, an increase of 0.01% from 1.34%, the rate at November 1, 2015, the date the loan was advanced. The maturity date for the loan agreement is April 30, 2018.

7. ACCOUNTS PAYABLE

			<u>2015</u>	<u>2014</u>
	Payable to Federal Government	\$	179,392 \$	-
	Payable to Provincial Government		599,718	461,776
	Payable to other local governments		333,231	316,005
	Trade and other payables		4,917,668	2,017,302
		\$ <u></u>	6,030,009 \$	2,795,083
8.	OTHER LIABILITIES		<u>2015</u>	<u>2014</u>
	Wages and benefits payable Retirement benefits payable - see note 9(a) i	\$	1,221,031 \$ 2,673,985	2,229,061 2,385,987
	Other benefits payable		153,288	152,099
	Permit deposits		374,015	348,840
		ş <u> </u>	4,422,319 \$	5,115,987

9. UNFUNDED LIABILITIES

Unfunded liabilities represent the estimated amount of cumulative future expenditures required to meet obligations which result from current operations. These liabilities are related to contractual employment obligations, and landfill operations which are governed by Provincial statute. Special reserves which have been set aside to meet those obligations are described below.

(a) Employee Benefits

i. Retirement Benefits - The Regional District provides vested sick leave benefits to its employees who retire where they can qualify for a one time payout of up to 60 days of their accumulated unused sick leave. The amount recorded for these benefits is based on an actuarial evaluation done by an independent firm using a projected benefit actuarial valuation method prorated on service. The actuarial valuation was calculated at December 31, 2015.

9. UNFUNDED LIABILITIES (CONTINUED)

The accrued post-employment benefits are as follows:

	<u>2015</u>	<u>2014</u>
Balance, beginning of year	\$ 1,733,207 \$	1,681,452
Current service costs	143,052	126,125
Benefits paid	(109,663)	(109,946)
Interest cost	47,549	57,358
Amortization of Net Actuarial Loss/ (Gain)	(24,943)	(21,782)
Balance, end of year	\$ 1,789,202 \$	1,733,207

The significant actuarial assumptions adopted in measuring the Regional District's post-employment benefits are as follows:

Discount Rate Expected Inflation Rate and Wage & Salary Increases	2015 3.10% 2.50%	2014 3.00% 2.50%
Balance reported in Note 8 Retirement benefits payable Consolidation adjustment for actuarial valuation Accrued benefit balance, end of year	\$ 2015 2,673,985 \$ (884,783) 1,789,202 \$	2014 2,385,987 (652,780) 1,733,207

ii. Other – Includes vacation pay adjustments and statutory and other benefits provided for in the collective agreement and which are paid in the normal course of business in the following year. The vacation pay liability at December 31, 2015 is \$165,877 (2014, \$117,422). The statutory benefits liability at December 31, 2015 is \$115,444 (2014, \$226,405).

(b) Landfill Closure and Post Closure Maintenance Costs

In accordance with PS 3270 liabilities with respect to permanently closing and monitoring a landfill are incurred as landfill capacity is used. Landfill Closure costs include placing a permanent cover over the face of the landfill. Post Closure Maintenance costs include landfill gas monitoring, leachate collection system operation and general site maintenance for a period of 25 years after the landfill is permanently closed.

i. Landfill Closure costs - are estimated based on the open area of the remaining unused capacity of the landfill site. In 2009 a revised design and operations plan was approved for the landfill which provides additional airspace for future needs. This plan extended the estimated life of the landfill to 2030 which has since been updated to 2040 based on most recent usage data. The plan includes remediation and reuse of previously filled areas as well as extending perimeter berms for the development of new airspace.

At December 31, 2015, there were approximately 1,765,738 cubic meters of airspace available for waste and daily cover. Landfill Closure costs are estimated at \$8,495,688 (2014, \$7,196,204). As at December 31, 2015, \$1,472,802 (2014, \$1,447,724) has been set aside in reserves for this purpose. The balance of Landfill Closure costs are expected to be funded by a combination of future reserve account contributions, operating budgets and/or borrowing.

9. UNFUNDED LIABILITIES (CONTINUED)

ii. Post Closure Maintenance costs – are costs estimated to manage the closed landfill for a statutory period of 25 years. Post Closure Maintenance costs are estimated using a number of factors including the percentage of landfill capacity already filled, the probable closure date, the regulated monitoring period, the estimated annual maintenance costs and a present value discount rate which is the difference between the long-term MFA borrowing rate and the 5 year average Consumer Price Index. The current estimate for annual Post Closure Maintenance costs is \$575,000 (2014, \$575,000). Total Post Closure Maintenance costs are estimated to be \$4,674,687 (2014, \$5,111,015) based on 63% of the total landfill capacity being filled at this date, a 25 year lifespan to 2040, final closure in 2041, and a discount rate of 1.73%. Post Closure Maintenance costs are expected to be funded by annual budget appropriations in the years in which they are incurred.

	<u>Unfunded Liability Balances</u>		<u>2015</u>	<u>2014</u>
	Employee Retirement Benefits	\$	(884,783) \$	(652,780)
	Employee Other Benefits		281,321	343,827
	Landfill Closure Costs		8,495,688	7,196,204
	Post Closure Maintenance Costs		4,674,687	5,111,015
	Unfunded Liability	\$ =	12,566,913 \$	11,998,266
	Reserves On Hand	\$ _	1,472,802 \$	1,447,724
10.	DEFERRED REVENUE			
			<u>2015</u>	<u>2014</u>
	Parkland Cash-in-Lieu receipts	\$	1,691,619	\$ 1,662,844
	Development Cost Charges		10,837,478	11,250,480
	Subtotal (Pg. 34)		12,529,097	12,913,324
	Gas Tax Revenue Transfer program – Community Works Fund		7,331,503	6,118,541
	General Revenue Fund	_	515,791	692,541
		\$	20,376,391	\$ 19,724,406

Parkland Cash-in-Lieu - are amounts collected from developers under the authority of Section 941 of the Local Government Act, where the Board has determined that cash rather than land for parkland purposes may be accepted as a condition of subdivision. These funds are held for the purpose of purchasing parkland.

Development Cost Charges - are amounts collected or payable as a result of new subdivision or building developments under the authority of Section 933 of the *Local Government Act*. The purpose of Section 933 is to collect funds for infrastructure which will be built as a result of population growth. Development Cost Charge bylaws have been enacted for the future expansion of wastewater treatment facilities and a bulk water system.

Community Works Fund - is a program component of the federal government's "New Building Canada Fund" which was established to transfer a portion of gas tax revenues to local governments to address infrastructure deficits. Additional information on the Regional District of Nanaimo's use of the Community Works Fund grants is included in the schedule on Pg. 35.

11. LONG-TERM DEBT

Debt is recorded and payable in Canadian dollars. It is the current policy of the Municipal Finance Authority to secure debt repayable only in Canadian dollars.

Details of long-term debt, including debt issue numbers, maturity dates, interest rates and outstanding amounts, are summarized in the Schedule of Long-Term Debt on pages 28 to 31.

	<u>2015</u>	<u>2014</u>
Long-Term debt - Regional District services	\$ 14,484,553 \$	15,629,016
Vancouver Island Regional Library	15,582,525	15,957,989
Member municipalities	53,520,830	52,213,097
Total Long-Term Debt	\$ 83,587,908 \$	83,800,102

Payments of principal on issued debt of the Regional District, not including member municipalities, for the next five years are:

<u>2016</u>	<u>2017</u>	<u>2018</u>	<u>2019</u>	<u>2020</u>	<u>TOTAL</u>
\$1,125,151	\$1,116,263	\$1,116,368	\$1,073,916	\$ \$1,069,880	5,501,578

12. OTHER JURISDICTIONS DEBT RECEIVABLE

Pursuant to the *Local Government Act*, the Regional District acts as the agency through which its member municipalities and other jurisdictions borrow funds from the Municipal Finance Authority. The annual cost of servicing this debt is recovered entirely from the borrowing jurisdiction. However, the Regional District is joint and severally liable for this debt in the event of default.

	<u>2015</u>	<u>2014</u>
Town of Qualicum Beach	\$ 4,629,364	\$ -
City of Parksville	2,043,770	2,410,090
City of Nanaimo	46,847,696	49,803,007
Vancouver Island Regional Library	15,582,525	15,957,989
	\$ 69,103,355	\$ 68,171,086

13. OPERATING AND CAPITAL LEASES

The outstanding obligation balance for leased capital assets as at December 31, 2015 was \$211,227 (2014, \$682,677). The Regional District has financed assets under capital leases with a net book value of \$177,344 (2014, \$715,776). The assets include one road vehicle, one tractor and trailer and landfill site mobile equipment. The 2015 capital lease principal payments totalled \$471,450 (2014, \$242,474).

All capital leases are held by the MFA Leasing Corporation. While payments are fixed for the term of the lease, interest rates are variable daily based upon the Canadian prime rate minus 1.0%. An interest adjustment is made at the time of the final payment. In 2015, interest expenditures related to lease liabilities were \$10,839 (2014, \$15,549).

13. OPERATING AND CAPITAL LEASES (CONTINUED)

Lease payment commitments for the next five years are: Capital Leases

<u>2016</u>	<u>2017</u>	<u>2018</u>	<u>2019</u>	<u>2020</u>	<u>TOTAL</u>
\$201,449	\$5,138	\$5,138	\$2,996	\$0	\$ 214,721
	Less: Impute	d Interest			 (3,494)
	Net Obligation	n under Capital Le	ase (Pg. 3)		\$ 211,227

Operating Leases – there are no operating lease commitments as at December 31, 2015.

14. TANGIBLE CAPITAL ASSETS

Net Book Value		<u>2015</u>	<u>2014</u>
Land	\$	38,418,795 \$	38,096,795
Land improvements		5,649,256	5,907,469
Buildings		31,446,591	31,992,029
Engineered structures		87,955,159	90,102,863
Equipment, furniture and vehicles		8,265,091	8,989,229
Assets under construction	_	6,434,369	1,425,801
	\$ _	178,169,261 \$	176,514,186
	_		
Owned tangible capital assets	\$	177,991,917 \$	175,798,410
Leased assets	_	177,344	715,776
	\$ =	178,169,261 \$	176,514,186

In 2015, parkland dedications and land used as a site for a community water supply well valued at \$322,000 were accepted and recorded as contributed assets. During 2014 parkland dedications valued at \$139,000 were accepted and recorded as contributed assets.

The Consolidated Schedule of Tangible Capital Assets (Pg. 27) provides details of acquisitions, disposals and amortization for the year.

15. ACCUMULATED SURPLUS

The financial operations of the Regional District are divided into three funds; capital fund, general revenue fund and reserve fund. For accounting purposes each fund is treated as a separate entity.

General Revenue Fund – represents the accumulated operating surplus of the Regional District which has not otherwise been allocated by the Board as reserves for special purposes.

Capital Fund – represents amounts which have been expended by or returned to the General Revenue Fund or a Reserve Fund for the acquisition of tangible capital assets and includes related debt and refunds of debenture debt sinking fund surpluses.

Reserves - represents that portion of the accumulated operating surplus that has been set aside to fund future expenditures. It includes both statutory reserves created by bylaw under the authority of the *Local Government Act* and reserve accounts, which may be used by the Board without legislative restrictions.

15. ACCUMULATED SURPLUS (CONTINUED)

The Accumulated Surplus consists of individual fund surpluses (deficits) and reserves as follows:

Surplus General Revenue Fund Net Operating Surplus (Note 16) \$ 11,970,660 \$ 11,415,855 Net investment in Tangible capital assets (Note 17) 163,180,340 160,202,493 Capital Fund advances (991,006) (430,123) Unfunded liabilities (12,566,913) (11,998,266) General Revenue Fund Reserve Accounts 161,593,081 159,189,959
Net investment in Tangible capital assets (Note 17) 163,180,340 160,202,493 Capital Fund advances (991,006) (430,123) Unfunded liabilities (12,566,913) (11,998,266) General Revenue Fund Reserve Accounts 161,593,081 159,189,959
Capital Fund advances (991,006) (430,123) Unfunded liabilities (12,566,913) (11,998,266) General Revenue Fund Reserve Accounts 161,593,081 159,189,959
Unfunded liabilities (12,566,913) (11,998,266) 161,593,081 159,189,959
161,593,081 159,189,959

3,438,934 2,964,935
Statutory Reserve Funds (Pg. 33) \$51,454,284 \$45,341,349
Total Reserves \$ 54,893,218 \$ 48,306,284
Accumulated Surplus (Pg. 3) \$ 216,486,299 \$ 207,496,243

16. CONSOLIDATION ADJUSTMENTS

The figures reported in the consolidated financial statements differ from the supporting schedules due to differences in grouping and presentation as well as the elimination of inter-fund and inter-departmental transactions. The Net Operating Surplus in the General Revenue Fund Schedule of Revenue and Expenditures has been adjusted as follows to conform to PSAB requirements:

	<u>2015</u>	2014
Net Operating Surplus (Pg. 36)	\$ 11,482,487 \$	11,280,931
Add: Water User Fee Revenue year end accrual (billed May 2016)	143,881	134,924
BC Transit Operating Reserve Prepaid Expense Adjustment	367,531	-
Less: ICBC Fleet Insurance Premium Adjustment Accrual	(23,239)	-
Net Operating Surplus adjusted for statement presentation (Note 15)	\$ 11,970,660 \$	11,415,855

17. NET INVESTMENT IN TANGIBLE CAPITAL ASSETS

Net investment in Tangible capital assets represents the historic cost of capital expenditures less debt obligations incurred to purchase and develop the infrastructure.

	<u>2015</u>	<u>2014</u>
Tangible capital assets (Pg. 3)	\$ 178,169,261 \$	176,514,186
Short-term loans (Pg. 3)	(293,141)	-
Obligation under capital lease (Pg. 3)	(211,227)	(682,677)
Long-term debt - Regional District only (Note 11)	(14,484,553)	(15,629,016)
Net investment in Tangible capital assets (Note 15)	\$ 163,180,340 \$	160,202,493

18. BUDGET FIGURES

Budget figures represent the Financial Plan Bylaw adopted by the Board on March 24, 2015. The financial plan includes capital expenditures but does not include amortization expense. The financial plan forms the basis for taxation and fees and charges rates which may be required for a particular year. The following reconciliation of the budgeted "Surplus for the year" shown on Pg. 4 is provided to show which items must be added or removed to reflect to the budgeted financial plan values which are shown compared to actual expenditures on Pg.36 (General Revenue Fund Schedule of Revenue and Expenditures).

		2015 Budget
Budgeted Surplus for the year (Pg. 4)		\$ 16,543,949
Add:		
Transfers from reserves		23,129,131
Proceeds of borrowing		1,616,665
Prior year operating surplus		11,280,947
Less:		
Capital expenditures		(35,947,273)
Debt principal repayments/actuarial adjustments		
Budgeted principal payments	4,424,157	
Add: Actuarial Adjustments	490,656	
Less: Principal payments for member municipalities	(2,783,995)	(2,130,818)
Capital lease principal payments included in equipment		
operating expenditure		(178,365)
Transfer to reserves		(7,179,659)
Consolidated Budgeted Surplus, per Regional District		
of Nanaimo Financial Plan Bylaw No.1722 (Pg. 36)		\$ 7,134,577

19. MUNICIPAL FINANCE AUTHORITY RESERVE DEPOSITS

The Regional District secures its long term borrowing through the Municipal Finance Authority. As a condition of these borrowings a portion of the debenture proceeds are retained by the Authority as a debt reserve fund. As at December 31, 2015 the Regional District had debt reserve funds of \$294,128 (2014, \$399,479).

20. NORTH ISLAND 9-1-1 CORPORATION

A 9-1-1 emergency call answering service is provided by the North Island 9-1-1 Corporation, which is owned by the Regional Districts of Comox Valley, Strathcona, Mount Waddington, Alberni Clayoquot, Nanaimo and Powell River. The shares in the corporation are owned as follows:

Alberni Clayoquot	3 shares
Comox Valley	6 shares
Strathcona	4 shares
Mount Waddington	1 share
Nanaimo	5 shares
Powell River	2 shares

The Regional District's investment in shares of the North Island 911 Corporation is recorded at cost as it does not fall under the definition of a government partnership (PS3060.06). The Regional District's share of the corporation is equal to 23.8% and the degree of control is proportionate to the ownership share. As no benefits are expected from the ownership, it has not been accounted for as an equity investment.

21. PENSION LIABILITY

The Regional District of Nanaimo and its employees contribute to the Municipal Pension Plan (the Plan), a jointly trusteed pension plan. The Board of Trustees, representing plan members and employers, is responsible for overseeing the management of the Plan, including investment of the assets and administration of benefits. The Plan is a multi-employer contributory pension plan. Basic pension benefits provided are based on a formula. The Plan has about 185,000 active members and approximately 80,000 retired members. Active members include approximately 345 contributors from the Regional District of Nanaimo.

The most recent actuarial valuation as at December 31, 2012 indicated an unfunded liability of \$1.370 billion funding deficit for basic pension benefits. The next valuation will be as at December 31, 2015 with results available in 2016. Employers participating in the Plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the Plan records accrued liabilities and accrued assets for the Plan in aggregate, with the result that there is no consistent and reliable basis for allocating the obligation, assets and cost to the individual employers participating in the Plan.

The Regional District of Nanaimo paid \$2,051,074 (2014, \$1,783,224) for employer contributions to the Plan in fiscal 2015.

22. CONTINGENT LIABILITIES

Contingent liabilities are recognized by the Regional District in accordance with PS3300.15. As at December 31, 2015 there were outstanding claims against the Regional District, however, no liability has been accrued because amounts are undeterminable and the likelihood of the Regional District having to make payment is uncertain.

23. ENVIRONMENTAL REGULATIONS

The Regional District is subject to environmental regulations which apply to a number of its operations. These regulations may require future expenditures to meet applicable standards and subject the Regional District to possible penalties for violations. Amounts required to meet these obligations will be charged to operations when incurred and/or when they can be reasonably estimated.

24. EXPENDITURES BY OBJECT

	<u>Budget</u>	<u>2015</u>	<u>2014</u>
\$	33,609,569 \$	30,566,062 \$	29,426,565
	29,069,449	28,219,036	27,148,660
	1,155,957	1,155,957	1,211,746
	-	6,745,606	6,752,591
_	<u> </u>	568,647	2,453,159
\$	63,834,975 \$	67,255,308 \$	66,992,721
	\$ \$ =	\$ 33,609,569 \$ 29,069,449 1,155,957 -	\$ 33,609,569 \$ 30,566,062 \$ 29,069,449 28,219,036 1,155,957 1,155,957 6,745,606 568,647

25. ARROWSMITH WATER SERVICE AND ENGLISHMAN RIVER WATER SERVICE JOINT VENTURES

The Arrowsmith Water Service (AWS) was formed in 1996 as a joint venture between the Regional District of Nanaimo, the City of Parksville and the Town of Qualicum Beach. The AWS was established to develop a bulk water supply available to the participants in the service and to construct the Arrowsmith Dam as a first step in that development as well as to provide for protection of the fisheries habitat of the Englishman River.

The Englishman River Water Service (ERWS) is a joint venture between the City of Parksville and the Regional District of Nanaimo, formed to secure a bulk water supply from the Englishman River. This regional partnership supplements existing well supply sources owned and operated by the City of Parksville and Nanoose Bay Peninsula Water Service Area. The ERWS development plan includes a new river water supply intake, new water treatment plant and distribution system.

Financial results and budget for the joint ventures are consolidated in the Regional District of Nanaimo's financial statements proportionately based on the joint venture agreements: 22.4% of the Arrowsmith Water Service and 26% of the Englishman River Water Service.

The following table summarizes the financial statements of the two joint ventures.

	Arrowsmith Water Service	Englishman River Water Service
	<u>2015</u>	<u>2015</u>
Non-financial assets (tangible capital assets) \$	6,438,945 \$	4,453,532
Accumulated surplus	6,438,945	4,453,532
Revenues		
Joint venturer contributions \$	50,208 \$	633,452
Expenses		
Operating	50,208	23,953
Capital		600,134
Writedown of capital assets		421,047
\$	50,208 \$	1,045,134
Annual surplus (deficit) \$	0 \$	(411,682)

26. CONTAMINATED SITES

At the reporting date, only one site was identified as potentially contaminated due to past industrial use at this site and on the neighbouring property. For this site there is insufficient information to determine whether contamination exceeding the relevant environmental standard is likely to exist, or whether remediation is required. The future cost and responsibility for remediation of this site is not currently determinable.

REGIONAL DISTRICT OF NANAIMO NOTES TO CONSOLIDATED FINANCIAL STATEMENTS for the year ended December 31, 2015

27. CHANGE IN ACCOUNTING POLICY

Effective January 1, 2015, the Regional District adopted the recommendations in PS 3260 *Liabilities for Contaminated Sites*, as set out in the Canadian public sector accounting standards. Pursuant to the recommendations, the change was applied prospectively, and prior periods have not been restated.

Previously, no accounting policy existed to account for a liability for contaminated sites. Under the new recommendations, the Regional District is required to recognize a liability for contaminated sites when economic benefits will be given up, as described in Note 1 (k), Significant Accounting Policies.

There was no effect on the Regional District's financial statements from adopting the above-noted change in accounting policy.

28. COMPARATIVE FIGURES

Certain comparative figures have been reclassified to conform to the presentation adopted in the current year.

The Regional District prepares its records using generally accepted accounting principles. This will result in differences between amounts recorded as an expense in the financial statements and the amount paid to a vendor in the year. The amounts reported here represent actual cash outlays in 2015 - some of which relate to goods or services received and recorded in 2014.
