## **ADDENDUM #1**

This Addendum is in addition to and forms part of the RFP. The cost, if any, of these revisions shall be included in the Bid Price. All Proponents shall acknowledge receipt and acceptance of this Addendum by indicating Addendum number, date and description on the Tender form provided.

This Addendum has been prepared to provide additional information from email queries.

### **Item 1**

#### **RECEIPT OF ADDENDA**

Proponents are asked to acknowledge receipt of addenda by email to Doug Gardiner [dgardiner@rdn.bc.ca](mailto:dgardiner@rdn.bc.ca) and Darren Marshall, [dmarshall@rdn.bc.ca](mailto:dmarshall@rdn.bc.ca) of the Regional District of Nanaimo (RDN).

### **Item 2**

**Question 1** — We do not supply a Spartan Metro Star-X chassis and can only provide our chassis model. If we submit our proposal, we will not be in compliance with many of the requirements outlined in the specification and our exception list would be for a majority of the specification which we do not have the capacity to document every detail related to the chassis. “We request that the RDN accept a Spartan Metro Star-X chassis or equivalent on all associated components.”

**Answer 1** — The RDN/EVFD will accept a Spartan Metro Star-X chassis, or a Proponents equivalent chassis and all associated components.
