

## **REQUEST FOR PROPOSALS**

### **Boardroom Audio/Visual Systems and Web Streaming Upgrade Project**

#### **Addendum 2 ISSUED: March 20, 2018**

**Closing Date & Time: before 3:00 PM (15:00 hrs) Pacific Time on March 23, 2018**

This addendum shall be read in conjunction with and considered as an integral part of the Request for Proposals. Revisions supersede the information contained in the original Request for Proposals or previously issued Addendum. No consideration will be allowed for any extras due to any Proponent not being familiar with the contents of this Addendum. All other terms and conditions remain the same.

#### **Questions and Answers**

Q1. Technical specifications section: 3(h) eSCRIBE provides a "Request to Speak" queue management tool. Is the intention of RDN to integrate with this tool or supplant it?

Q2. Technical specifications section: 3 (i) eSCRIBE provides an "out of the box" voting system including vote submission by meeting attendees. Beyond this, what integration is the Regional District looking for?

Q3. Technical specifications section s :3 (p), 8 (b), 8 (c) – eSCRIBE provides a webstreaming service with an encoder which can integrate directly to the Cable TV inputs and projection system and fully integrate minutes and agendas to video including timestamps and supporting documents.

Answer for all 3 questions:

*It is intended to use "Request to speak" functionality and we are looking to maximize integration features wherever possible in regards to our eScribe system.*
