Hi Linda. this is Perry Grue,3683 Nautilus Road ,Nanoose Bay.....250-468-5655 E mail address  
[....thegrues@shaw.ca](mailto:....thegrues@shaw.ca)

The title for the presentation is...How inefficient Bylaws and poor implementation, or lack of ,  
building regulations can destroy a neighbourhood and bring property values down.

As you can see it is a complicated issue. I have handwritten 4 pages.No time to read them  
all.Could you copy them for the Directors. Do you need the papers this afternoon so they can be read before  
the meeting? Please let

me know.Thanks
